

**5th Symposium on Biotransformations for Pharmaceutical and Cosmetic Industry,
June 13-15, 2022, Kraków-Częstochowa Upland (Jura Krakowsko-Częstochowska)
(2nd circular)**

Dear Colleagues,

As the Organizing Committee we would like to provide more information about our conference.

- 1. The registration is now open. Please register as soon as possible.**
- Conference will be held in „Ostaniec” hotel, 42-425 Kroczyce, Podlesice 82, in Kraków-Częstochowa Upland (Jura Krakowsko-Częstochowska), on June 13-15, 2022.
- More information about the hotel can be found here: <http://www.ostaniec.com.pl/>

Conference fee including accommodation (13-15.06.2022):

- Single room 1254 zł
- Double room 1077 zł/person
- Studio (2x separate double rooms + one bathroom) 1068 zł/person
- Double room with slightly lower standard (in Gościniec Jurajski – on the property of the hotel) 986 zł/person

We encourage you to suggest roommate/roommates for double rooms and studio

- 4. Please pay the fee to the bank account provided below and send the bank transfer confirmation to the organizers (e-mail: biotransformation@polsl.pl)**

ING Bank Śląski S.A.

PL 42 1050 1070 1000 0090 8151 9499

With a note: Biotransformation and your name and surname

POLITECHNIKA ŚLĄSKA, ul. Akademicka 2A, 44-100 Gliwice

REGON 000001637

NIP 6310200736

- 5. Registration includes:**

- Accommodation for 2 nights
- Breakfasts, lunches, coffee breaks and dinners including conference dinner
- Access to conference sessions, poster sessions and panel discussion

- Conference materials
- Access to all the conference rooms
- Book of abstracts
- Participation Certificate

6. Important deadlines and informations:

- The official conference language - English.
- Deadline for registration: **March 15th, 2022.**
- Deadline for submitting abstracts of lectures, oral communications and posters: **April 15th, 2022.**
- Payment deadline (after confirmation from Organizing Committee that selected accomodation was booked): **April 29th, 2022**
- The final decision of the Scientific Committee on the acceptance of the presentations - **May 6th, 2022.**

We would like to cordially invite you all to participate in this conference and share your experience on biotransformation.

We encourage young as well as experienced chemists, chemical engineers, biochemists, biotechnologists and microbiologists to share their results and experience in the field.

Except for the lectures and presentations, the program will also include poster presentations.

We hope that you enjoy the conference and the beautiful and charming environment of Kraków-Częstochowa Upland!

Please contact us *via* e-mail: biotransformation@polsl.pl and register on our webpage: www.biotransformation.polsl.pl

We look forward to seeing you soon at the conference!

*On behalf of Organizing Committee,
Danuta Gillner and Katarzyna Szymańska*
